Report Summary – *Surprise?*

Based on the methods with which we analyzed Nevada Commerce Bank, its failure was ***not a surprise***.

Here are the indications that Nevada Commerce Bank should fail:

- 1) **Nevada Commerce Bank's normalized income was negative in the last six quarters prior to its failure.**
- 2) **The bank's asset to liability ratio dropped to 101.73% the quarter before it failed.**
- 3) **Nevada Commerce Bank had a bankability composite score of -10.22 the quarter before it failed, indicating the bank's very poor overall financial health and likelihood to fail.**
